Dear Sean,

I am writing you in regards to the recent notification by Country Club Enterprises, that Desperado has been removed as a participant in the 1998 Marlboro Country Dance Showdown. I am extremely upset that a nightclub venue which has supported this event in the past, can be excluded from this national promotion, because we hold teen night promotions on an occasional basis.

The Desperado Entertainment Complex is a 65,000 square foot multi-theme complex, and Desperado was recently named the #1 nightclub venue in South Carolina by the Governors Office of Music and Entertainment. In addition, The Desperado Entertainment Complex has three cigarette vending machines in our business to service our 5,000 customers we host on a weekly basis.

Your cooperation in this matter is greatly appreciated, and please call me at (843) 529-0300 for any further discussion.

Sincerely,

Bob Shipley
